

Classroom activities

1. Choose one company that was founded in Ohio and write a 2-4 page summarized report of your chosen company.
2. Using facts you find from the additional resources and source set examples, create a timeline of products that were developed in Ohio from 1900 to the present.
3. Make a map of the corporations that were founded in Ohio. See if they tend to gather around the larger cities of Ohio.
4. Break the students into small groups of 4 or more to create a project using an assembly line concept.
